# Schedule of Events

*In an effort to maximize the health and safety of our players, individuals with Down syndrome, and Persimmon Woods staff, we will be holding a separate fishing tournament for individuals with Ds only, as well as two tee times, and an outdoor reception and program. We ask that you bring your own lawn/sporting chair for the program as well as wear a mask when not on the course. Every golfer will get their own cart unless members of the same family. We appreciate your support of our organization and we are excited to make this event as safe and fun as possible for our players!*
